

M SERIES

# M-3000

THE SMART SOLUTION FOR OFFICE HYDRATION.

*It's Hot. It's Cold. It's Ambient.* The M SERIES functions both as an effective and attractive unit in a corporate setting as well as a tough and resilient workhorse in more demanding environments. Boasting a sleek design, onboard SMART technology for remote monitoring, and touch-free dispense, the M series is the only hydration station you will need.

## COLD, HOT & AMBIENT WATER

The M SERIES is fully equipped to dispense the best-tasting cold, hot, or ambient water with an ELEVATE mineral enhancement to balance pH.

## TOUCH-FREE DISPENSE

With touch-free dispense options, you are provided with delicious, great-tasting water without cross-contamination.

## MOST EFFICIENT PURIFICATION SYSTEM

With low power consumption, reduced PSI need, and improved water recycling rate, the M SERIES is not only good-looking, but it's also good for the environment.

## 24-HOUR REAL-TIME MONITORING

Equipped with wireless real-time SMART onboard monitoring around the clock and remote service options, the M SERIES is designed to not only provide great-tasting, unlimited, purified water but does so with minimal service and downtime.

HOT, COLD, & AMBIENT WATER
