

S SERIES

# S-5000

THE SMART SOLUTION FOR OFFICE HYDRATION.

*It's Hot. It's Cold. It's Ambient.* This elegant and versatile S SERIES water cooler machine boasts a sleek design, onboard SMART technology for remote monitoring, and touch-free dispense. The S SERIES is our all-in-one flagship hydration station and it's ready for your office. What more do you need?

## COLD, HOT & AMBIENT WATER

The S SERIES is fully equipped to dispense the best-tasting cold, hot, or sparkling water with mineral enhancement to balance pH.

## TOUCH-FREE DISPENSE

With touch-free dispense options, you are provided with delicious, great-tasting water without cross-contamination.

## MOST EFFICIENT PURIFICATION SYSTEM

With low power consumption, reduced PSI need, and improved water recycling rate, the S SERIES is not only good-looking, but it's also good for the environment.

## 24-HOUR REAL-TIME MONITORING

Equipped with wireless real-time SMART onboard monitoring around the clock and remote service options, the S SERIES is designed to not only provide great-tasting, unlimited, purified water but does so with minimal service and downtime.
